Living Learning In Faith Everyday, Inc.

Building Tomorrow's Leaders and Communities

LLIFE University Online

LLIFE University online provides learning experiences that empower students to become active participants and leaders in More Abundant Life communities as well as in American society. Our course offerings are of incredible value in and of themselves; however, the most important value is the innovative LLIFE model of organizing Success Groups for independent and collective continuous lifetime learning experiences.

Our online environment permits people from all over the globe to learn about, and practice, concepts that support successful living in good and difficult economic times.

Educational Products

The four (4) formalized training courses described include New Owner Training (NOT), Success Prep System (SPS), The Life Build System (LBS), and the Masters Builder System (MBS). All support personal growth and development, relationship building, and community development.

New Owner Training: NOT 100

This course is delivered in four 2 hour weekly sessions upon joining the Success Leadership organization. Upon enrollment, there are three business companies wherein the new owner will immediately begin to share ownership and profits.

Success Prep System: SPS 100 Introduction

This free class provides a glimpse into the Laws of Success, Biblical Heritage Factor, and how you can apply the information in your own personal development and in your community. It is available 24/7.

Success Prep System: SPS 100

This course is delivered in seven (7) two hour biweekly sessions. The Success Prep System is designed to expose the new student to every aspect of LLIFE's Success Programs. SPS provides an in-depth analysis of the mission and strategic plan; a thorough understanding of LLIFE'S learning systems; the ownership process; and how companies are initiated, organized and capitalized.

SPS also clearly defines the rules and responsibilities of each Success Group member. The purpose of SPS is to assure that every individual has a deep appreciation for the value inherent in LLIFE'S Program and feels a deep sense of commitment to its success. **SPS is a prerequisite course to the Life Build System.**

The 7 sessions are as follows:

The Laws of Success – Part I

The Laws of Success – Part II

The Laws of Success – Part III

The Biblical Heritage Factor – Part I

The Biblical Heritage Factor – Part II

The Business of Community – Part I

The Business of Community – Part II

Download the Permit to Register for the Success Prep System from the main LLIFE site at www.llife.org/SPS-PermittoRegister110909.pdf.

Biblical Heritage Factor: BHF 100 Introduction

This free class provides insight into the horizon-expanding information that is available in the full course. It is available 24/7.

Biblical Heritage Factor: BHF 100

The importance of understanding how people of color have been prominent in Christ's teachings throughout history cannot be overemphasized. Traditional biblical teachings have all but ignored these teachings, leaving most people of color to wonder if they are an afterthought. Bring your sword (Bible). You'll want to follow along and highlight the many references.

The Life Build System: LBS 200

This course is the centerpiece of the LLIFE'S Program and the Movement to the More Abundant Life. There are ten subjects delivered over a thirteen-month period. Each subject is designed to reinforce the power of teamwork while engaging the Success Groups in the implementation of real world ownership and community empowerment strategies and activities. The LBS also establishes the Success Group as the vehicle for continuous lifetime learning.

Courses included in this series include:

Behavioral Intervention

Effective Communications

Understanding Wealth

Leadership Development

Effective Teamwork

Business Management

Resource Acquisition

Success Networking

The Master Build System: MBS 300

This is a customized series of courses that formalize continuous learning experiences for the organizational leadership. The leadership's responsibility is internal, organizational, and external with respect to the community at large. The Masters Builder System includes each of the series outlined above.

How to Register

When you enter our online university at www.llifeuniv.com , you will be at our landing page. From here, you can register for the listed courses. Once you're registered you will have immediate access to free courses. For-fee course registration will be complete upon release by our University Administrator, when fees have been paid.

Some class materials will be immediately available for reading prior to the scheduled class session. Others will be available during class. Important announcements will be in the left panel of the screen.
